DL

[redacted]

JOHN A. ROLLES, JR., Office Manager, Waterman of Puerto Rico Steamship Lines, Room 818, National Bank of Commerce Building, advised that he did have in his employ one individual from Nicaragua. He stated that this individual's name was ALEXIS QUILLEN who was just married and currently is on his honeymoon [redacted] returned until December 15, 1963. Mr. ROLLES further stated that QUILLEN is an office employee who works in the rear office and the only time he could be around the International Building would be on his lunch hour. Mr. ROLLES stated that QUILLEN goes to the International Building and after viewing photos of those persons who left Nicaragua with LEE HARVEY OSWALD in front of the International Trade Mart Building and the Fair Play for Cuba Committee leaflets, stated that he recognized no one.
